HR EXCELLENCE IN RESEARCH

# Important information PO REK

**Sign up to the R&D Newsletter.**

**Do you want to be the first to know news from the project environment, seminar offers, announced calls, current public competitions and much more?**

Signing up for the Newsletter can be found on the [porek.mendelu.cz](http://porek.mendelu.cz).  
You won't miss anything anymore!

**Expected actions:**

## **MENDELU Ph.D. school**

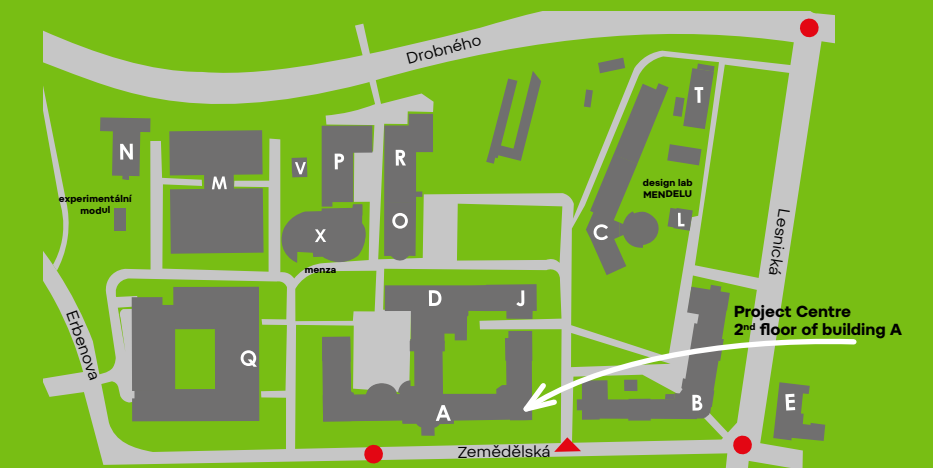

→ The program tries to approach current topics that directly concern doctoral students. Students can learn a lot of useful information about project issues, publishing, popularization of science and matters related to the labor-legal relationship.

## **MENDELU Ph.D. talent**

→ Competition for talent scholarships for students of doctoral study programs accredited at the Mendel University in Brno.

**All information can be found on our website [porek.mendelu.cz](http://porek.mendelu.cz).**
